Subject: Dodd Drabing - Territory Manager - South Central

It is my pleasure to announce Dodd Drabing has joined HARCO Fittings in the sales department, as Territory Manager- South Central covering all markets in Texas, Oklahoma, Arkansas and Louisiana.

Dodd brings over 35 years of turf, irrigation, and landscape industry experience. Dodd has held the credential of Certified Professional Salesperson from Sales and Marketing Executives International Inc. (SMEI) for the last 10 years. Most recently, he spent 13 years selling irrigation systems and turf equipment. Prior to selling water management solutions, he was an operations manager with Turf Industries/Univar USA, a fertilizer and chemical distributor providing products and services to golf courses and municipalities throughout central and south Texas. Prior to working in distribution, Dodd worked 19 years for Kingwood Country Club, a multi-course private club.

Dodd attended Purdue University graduating with a B.S. Degree in Agronomy – Specializing in Turf Management. He is also a Licensed Irrigator in the State of Texas.

Please join me in welcoming Dodd into his new role with The Harrington Corporation. Dodd can be reached on his mobile phone (281) 883-9666 or via email at ddrabing@harcofittings.com.
